[1920s in Western fashion - Wikipedia](#)

The 1920s are characterised by two distinct periods of fashion: in the early part of the decade, change was slower, and there was more reluctance to wear the new, revealing styles made popular. From 1925, the public more passionately embraced the styles now typically associated with the Roaring Twenties.

[Flapper - Wikipedia](#)

The flapper was an example of the prevailing conceptions of women and their roles during the Roaring 1920s. The flappers' ideal was motion with characteristics of intensity, energy, and volatility. She refused the traditional moral code. Modesty, chastity, morality, and traditional concepts of masculinity and femininity were seemingly ignored. The flapper was making an appeal to authority and
