Mercury Optimax 150-HP Major Problems - Moderated ...

This accounts for the recommendation of Mercury that the OptiMax motor should be used with a battery that has a marine cranking ampere rating of 1,000-MCA or more. This information should be in the owner's manual for your motor.

Mariner Boat Outboard Engines and Components for sale | eBay

Mercury recommends that all outboard motor components that carry the Mariner name get treated with proper marine oil. Marine oil is certified to work with outboard equipment. Regular motor oil can break down, which is why Mercury stresses using marine oil. Marine oil can also keep parts lubricated even when exposed to water, which is important when working with outboard motors.
