For the purposes of this concise history we can begin with the advent of Christianity. Itself the culmination of several centuries of religious and ethical thinking in Judaea, it entered a world which was dominated by legal and political ideas which were in turn the result of centuries of political and juristic experience. Rome had reached the peak of its greatness. An Empire which spread over A Concise History of the Common Law by Theodore Plucknett

A Concise History of the Common Law provides a sou That challenge to our common-law heritage remains today. To that end, Liberty Fund now makes available a clear and candid discussion of common law.

**A Concise History of the Common Law - Rakuten Kobo**

A Concise History of the Common Law provides a source for common-law understanding of individual rights, not in theory only, but protected through the confusing and messy evolution of courts and their administration as they struggled to resolve real problems. Plucknett's seminal work is intended to convey a sense of historical development not to serve merely as a work of reference.
