## Mormon Questions

The Bible does not put constraints on God, rather it is a glimpse into the works of the Almighty. To say that God has changed and no longer reveals his word to prophets, or to say that God cannot add to his own word by way of continued revelation is false doctrine.

The sacred books of this sect were four in number, the Bible, the Book of Mormon, Joseph Smith's "Book of Doctrines and Covenants," and "The Book of the Law of the Lord," the latter having been translated by Strang from eighteen metallic plates, which he claimed to have miraculously discovered, and which he said were "written long previous to the Babylonish captivity." Strang performed several
