The Attachment Parenting Book: A Commonsense Guide to ...

While The Attachment Parenting Book is a great start to learning about attachment parenting, like Dr. Sears' other parenting based books, it's completely heteronormative and ignores families that don't align with the "mother/father" nuclear family. It also ignores the needs of transgender parents, single parents and queer parents.

Attachment Parenting Tips is an easy-to-use reference book of ideas to solve every common parenting problem that arises while raising children from 0 - 13 years of age and beyond. Written by a certified parent educator and mother of five grown attachment-parented children, this book is bursting with over 3,000 practical tips tested by real parents.

Parenting Adopted Children Booklist - Parentbooks

It explains what attachment is, how grief and trauma can affect children's emotional development, and how to improve attachment, respect, cooperation and trust. Parenting techniques are matched to children's emotional needs and stages, and checklists are included to help parents assess how their child is doing at each developmental stage. The book covers a wide range of issues including

Attachment parenting - Wikipedia

Attachment parenting (AP) is a parenting philosophy that proposes methods which aim to promote the attachment of parent and infant not only by maximal parental empathy and responsiveness but also by continuous bodily closeness and touch. The term attachment parenting was coined by the American pediatrician William Sears.
