[The Best Books on Game Theory | Five Books Expert ...](#)  
The book which, in my opinion, is so much waiting to be written is a book that will criticise game theory. Not from a sociological point of view, not a personality analysis of people like Aumann or Shapley or Schelling or whoever, but a purely intellectual analysis. There is a need for a book that counters the natural tendency of people to find in game theory solutions to problems that in my
