[How to Change a Fuse in a Breaker Box | Hunker](#)
To replace the breaker box fuse, you need one with same current rating -- don't be tempted to use one with a different rating because you don't have the proper one, or you could cause a fire. Unscrew the old fuse and screw in the new one. There's no danger, because the part of the fuse that you can touch is made of glass, which is an electrical insulator.

[How to Change a Fuse Box to a Circuit Breaker ...](#)
Upgrading from a fuse box to a circuit breaker brings your home electrical system into the modern age. More power, better safety, and the convenience of flipping breakers rather than replacing blown fuses.
