Criminal law, in its widest sense, includes substantive

criminal law, the operation of penal institutions, criminal procedure and evidence, and police investigations (see Criminal Investigation). More precisely, the term refers to substantive criminal law - a body of law that prohibits certain kinds of conduct and imposes sanctions for unlawful behaviour.

Criminal procedure - Wikipedia

Criminal procedure is the adjudication process of the criminal law. While criminal procedure differs dramatically by jurisdiction, the process generally begins with a formal criminal charge with the person on trial either being free on bail or incarcerated, and results in the conviction or acquittal of the defendant.
