Humanitarian Aid and Development Aid

Development aid can exist without humanitarian aid (in developing countries that do not have humanitarian crises), but it also often exists in addition to humanitarian aid during and after crises. For example, if an earthquake strikes a country, short-term humanitarian aid is needed.

Development aid - Wikipedia

Development aid or development cooperation (also development assistance, technical assistance, international aid, overseas aid, official development assistance (ODA), or foreign aid) is financial aid given by governments and other agencies to support the economic, environmental, social, and political development of developing countries.
