## Double Knitting Technique to Create a Reversible Masterpiece

Double knitting is a cool knitting technique that allows you to produce a double layer of Stockinette Stitch fabric with mirror-image colorwork while knitting both layers at the same time. If you want to follow along, you'll need two different colored balls of yarn (one that you can get to both ends of) and knitting needles of a corresponding size.

## Get Twice the Warmth With Double Knitting Patterns - Craftsy

If there's any time of year to take advantage of double knitting patterns, it's winter! It's no surprise that most double knitting patterns are winter accessories. Double knitting produces a reversible fabric that's twice as thick as a regular knitted fabric, making it the perfect technique. What is the Difference Between Double Knitting Wool vs 4 ...

Many knitters never bother to learn the differences between yarn types and weights. For example, they never learn what the difference is between double knitting wool vs 4 ply yarn.

## Double Knitting | KnittingHelp.com
