Buddhism points out that emphasizing individuality and promoting the greatest fulfillment of the desires of the individual conjointly lead to destruction. The book promotes the basic value-choices of Buddhism, namely happiness, peace and permanence.

Ethical Principles and Economic Transformation - A ...  
Buddhist economics makes these values accessible by direct provision. Peace can be achieved in nonviolent ways. Wanting less can substantially contribute to this endeavor and make it happen more easily. Permanence, or ecological sustainability, requires a drastic cutback in the present level of consumption and production globally. This reduction should not be an inconvenient exercise of self
