The face painting instructions are broken down by visual aids, the brush is the key to create nice designs, without the brush this would be a plain book. The actual paint washes off easily when no longer needed with just water at times. None of the children that have experienced face paints have ever had an allergic reaction to the paint. I highly recommend the book. But wish the company sold Face Painting Books Facepaint.com

Face painting books provide step-by-step instructions for great face painting designs. Parents or those new to face painting can easily follow these instructions for painting children's faces for Halloween, a children's party or some other special event.
