[The Gendered Society - Michael Kimmel - Oxford University ...](#)

The sixth edition of *The Gendered Society* explores current thinking about gender, both inside academia and in our everyday lives. Michael Kimmel challenges the claim that gender is limited to women's experiences—his compelling and balanced study of gender includes both masculine and feminine perspectives.

[The Gendered Society by Michael S. Kimmel, 2000 | Online ...](#)

In *The Gendered Society*, Michael S. Kimmel examines our basic beliefs about gender, arguing that men and women are more alike than we have ever imagined. Kimmel begins his discussion by observing that all cultures share the notion that men and women are different, and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes. In

Children develop gender-based beliefs, largely on the basis of gender stereotypes; the latter are reflected in gender roles. Children adopt a gender identity early in life and develop gender-role preferences as well (*Gender Roles and Gender Differences*). This document also explains how the gender identity of a child is a form of expression,

differs based on their preferences, and

This will enable students to develop an understanding of the relationship between sex, gender and sexuality. This analytical framework will be applied in the second half of the course to examine specific gender arrangements in personal and institutional settings. We will study how social institutions and popular culture help shape intimate and public relations among genders. By studying such
