The best up to date reference on Structural Geology I've found to date. There is a strong focus on oil exploration applications reflecting the author's experience; not so much on mineral exploration applications.

Popular Geology Books - Goodreads

To my surprise, I found that geology demanded a type of whole-brain thinking I hadn't encountered before. It creatively appropriated ideas from physics and chemistry for the investigation of unruly volcanoes and oceans and ice sheets. It applied scholarly habits one associates with the study of literature and the arts - the practice of close [Free Geology Books Download | Ebooks Online Textbooks ...](#)
