Healthcare Administration Careers | PublicHealthOnline.org

The healthcare system is booming, and health administration careers are keeping pace. According to the Bureau of Labor Statistics, those in healthcare administration can expect job growth of 23 percent from 2012 to 2022, which is much higher than the average for all occupations. Much of this growth is expected to stem from a healthcare system that will see increased demand from an aging baby

Health Care Administration Officer - Canada.ca

Health Care Administration Officer, COOMBS: In a quick-moving, modern military, whether health care needs to be delivered in a garrison clinic or during an operational deployment, keeping the system running smoothly is a huge challenge -- and a great satisfaction.
