[How to Begin Writing a Book - wikiHow - How to do anything](#)

To begin writing a book, start by coming up with a concept or story idea and any themes you want to touch on. You should also start thinking about the characters you want to include in your story. Then, outline your book so you have a roadmap to guide you through the writing process, including all of the major plot points, which are the important events and turning points in your story. Once you have a basic outline, find a comfortable writing space and try to set aside time every
