[How to Make Homemade Soda - sheknows.com](#)

How to make homemade soda One of the great things about making soda at home is that you can control the intensity of the flavor and the relative sweetness of the resulting beverage.

[How to Make Healthy Homemade Soda | Fix.com](#)

You can control the amount of sugar (yes, there is still sugar in homemade soda, as you will see below) that goes into each batch. And the sky's the limit when it comes to which natural ingredients you choose to create your own recipe. Bottling your own soda is also better for the environment, since you can reuse the same bottles for each batch you make.

How to Make Soap (With or Without Lye) Katie Wells 67 Comments Updated: February 19, 2019 This post contains affiliate links. Growing up, it never occurred to me that it was possible to make soap at home. I was born in a big city, grew up in another and soap was always a white-colored bar from Ivory that came in a package. Why Make Soap at Home? I'd always been crafty, and when I found [How To Make Soap: Natural Homemade Soap Recipe for Hand ...](#)

Homemade soap making is my number one passion, so if I have a day to do nothing, I'll just make it all day. People always ask me how to make soap, so today I show you how I do it! In 1994 I came across a book on soap making and thought, Well, gee, it can't be too hard. I remembered my
