Weaving important themes throughout about the nature of freedom and safety possible in a monarchy, Graves' Claudius is both more effective and more tragic than history typically remembers him. A bestselling novel and one of Graves' most successful, "I. Claudius" has been adapted to television, film, theatre, and audio.

RosettaBooks

Once a rather bookish young man with a limp and a stammer, a man who spent most of his time trying to stay away from the danger and risk of the line of ascension, Claudius seemed an unlikely candidate for Emperor.
