us ...

Arguments about the inadequacy of traditional models of education in the information age abound, particularly in higher education. Despite the slow adaptation of education to the information age, the rise of the Massive Open Online Course or MOOC and the apparent imminent death of the lecture are just two examples of the changing educational landscape being brought about by our shifting

**Chapter 1. Education for the Information Age - ASCD Authentic Learning in the Digital Age**, by Larissa Pahomov. Table of Contents, Chapter 1. Education for the Information Age. If you are reading this book, you are likely already committed to (or are at least interested in making the shift to) working in an inquiry-based classroom.
