The author did a great job at referencing to different stories, examples, and writers to teach about the best management skills. Also, some quotes on the road make your imagination go, and keep your mind active. Really liked it and definitely recommend it.

[Management Skills List and Examples](#)

Management skills overlap with leadership skills, as both involve problem-solving, decision-making, planning, delegation, communication, and time management. Good managers are often good leaders. And yet the two roles are distinct.
