Becoming a Medical-Surgical Nurse. When nursing was a younger profession, the majority of nurses worked in wards performing bedside care, and most were classified as medical-surgical nurses.

What is Med/Surg Nursing? - Medical-Surgical Nursing ...

Personally, I like surgical nursing much better than medical. the medical pts are there generally because of lifestyle issues (obesity, smoking, ETOH use etc.) or because the nursing home needs a break from them, and we see the same people over and over again. Caring for these pts can be very frustrating, and I think it's what causes a lot of nursing burnout. However, I love med/surg
