participation; a review of policies and integration results in the OSCE region has been undertaken for ODIHR by Thomas Huddleston of the Migration Policy Center. [Which Countries Have the Best Migration Policies? | Center ...](#)

Migration policies reflect the economic, social and political circumstances of each country, and it is foolish to claim that any country could simply adopt the policies being pursued elsewhere. Nonetheless, looking at the fine detail of countries policies can help us understand where there might be room for improvement, and help us to identify inspiring examples of countries that do this well.

[Immigration in the United States: New Economic, Social ...](#)

Immigration has contributed to many of the economic, social, and political processes that are foundational to the United States as a nation since the first newcomers arrived over 400 years ago. After brushes with immigration reform that began in 2001 and continued in 2006 and 2007, the United States seems to be on the threshold of overhauling
