If you have automatic updating enabled (screenshot), which is the default setting, Logos 4 will notify you that updates []

Church Software

The story of Church Software began with a specific need in a church in 2008 and with me having the right skill, started to develop the software. I then built a few other software based on a few other needs that arose. I ceased developing further software since there are lot of other tools available and there is no need for me to build any new software for the bride of Christ. But, I am called
