Not Out of Africa: How Afrocentrism Became an Excuse to ...

Not Out of Africa was an excellent book. It dealt with harshly exposing myths being taught as fact in African and African American studies such as Greece copying Egypt in virtually every way, Socrates being black, Jackie Kennedy being black and etc. She also attacks Euro and Judeo-centrism as well. All in all a great book.

Not Out of Africa is an important book that protects and argues for the necessity of historical truths and standards in cultural education. Not Out of Africa combines a learned demolition of various politically correct historical fantasies with a thoughtful inquiry into questions of historical method and of academic freedom.

Not Out Of Africa: How ""Afrocentrism"" Became An Excuse ...

Not out of Africa is not exactly a book that stands on its own. You have to know the basic premise of the books this one is responding to, first. And second you have to have some knowledge of Ancient History to interpret what's said and assimilate the arguments and their validity. Since this book is a response to the Afrocentrist movement, the arguments it makes are less important in some ways
