book takes a leap forward with the concept of primal leadership through a keen and in-depth understanding of emotional intelligence and its link to leading and building

Leadership: The Power of Emotional Intelligence eBook ...

This book was a required text for my Leadership class. I am so glad to have read it. It really gives a clear yet very detailed explanation of what emotional intelligence is, why leaders need to understand what it is and how to harness their own EI, and describes the various different types of leadership styles; when to use which ones and which
