Proof of Heaven is more than just an awe-inspiring account of a profound encounter with spiritual reality. Dr. Alexander's neuro-science career taught him that near-death experiences are brain-based illusions, and yet his personal experience left him dumbstruck. His honest struggle to make sense of this unforgettable journey is a gripping story, unique in the literature of spiritual

Proof of Heaven do not let the title fool you that this is a Christian tome about streets of gold and pearly gates. Eben Alexander, M.D., a well-respected neurosurgeon, saw many medical cases in which patients claimed to have seen deceased loved ones or heaven. He dismissed them all as chemical processes in the brain until he had his own near-death experience while in a seven-day coma.
