The 2nd Grade Reading Stumble | Scholastic | Parents
In 2nd grade reading, your child should be reading 50 to 60 words a minute at the beginning of the school year and 90 words per minute by the end of the year. To test this, give your child a story from her reading list that she has not read, but will pique her interest. If it's below the speed levels noted above, then fluency is a problem. Make sure she has lots of experiences reading simple
