 An ancient Nordic religion is inspiring white supremacist ...

A religion of and for the white race was what he had been desperately searching for for years, he said. Races just don't really mix well, especially if whites are the minority among other racial groups if we're under attack or we're threatened. It just doesn't ever work in our favor, he said.

### SparkNotes: Dialogues Concerning Natural Religion: Summary

Summary . In Dialogues Concerning Natural Religion Hume explores whether religious belief can be rational. Because Hume is an empiricist (i.e. someone who thinks that all knowledge comes through experience), he thinks that a belief is rational only if it is sufficiently supported by experiential evidence.
