[How to Keep Score | Official Information | MLB.com](#)
Different fans have different methods of keeping a scorecard, and many use their own notations. But here's a simple method: If the hitter grounds out to shortstop, for example, write in "6-3," which shows the shortstop threw him out at first base. If the hitter flies out to left field, write a "7."

Oh, I know. The name before was just

"BaseballScorepad". The extension does not show unless you do the following: 1. Open the "Control Panel" and then double-click "Folder Options". If that entry is not there, pick "Classic View" on the left side of the panel and then look for "Folder Options". 2. In folder options, select the "view" tab
