Amazon.ca:Customer reviews: *Staying Alive in Avalanche Terrain*

In *Staying Alive in Avalanche Terrain*, Tremper has found the "sweet spot" in modern avalanche education. With the changing demographics of winter backcountry users, it is becoming increasingly difficult to satisfy everyone all of the time. Tremper pulls it off with a writing style and progressive approach that is easily digested by novices, yet technically insightful for snow safety veterans. The book is also unique in its "cross-cultural" approach to snow safety, addressing the subject from
