\$XX.95 U.S. who truly comprehend what they read. ISBN will ...

Reciprocal teaching is a scaffolded discussion technique that is built on four strategies that good readers use to comprehend text: predicting, question-ing, clarifying, and summarizing (Palincsar & Brown, 1984). Students take turns discussing all four strategies with a given portion of text, and the teacher models ways to extend and deepen comprehension using the four strategies. Although

#### **Teacher - Wikipedia**

A teacher (also called a school teacher or, in some contexts, an educator) is a person who helps students to acquire knowledge, competence or virtue. Informally the role of teacher may be taken on by anyone (e.g. when showing a colleague how to perform a specific task). In some countries, teaching young people of school age may

be carried out in an informal setting, such as within the family
