The Archaeology of Market Capitalism: A Western Australian ...

In The Archaeology of Market Capitalism, Gaye Nayton establishes the rationale for why this should change. Western Australia is a story that should be reminiscent to historical archaeologists who work in other parts of the world.

The Archaeology of Market Capitalism: A Western Australian ...

However, the struggle between the forces of market capitalism, settlers and indigenous Australians over space, labor, physical and economic resources and power relationships are both unique to place and time and universal in allowing an understanding of how such complicated regional, interregional and global forces shape a settler society.
