One Second After (After, #1) by William R. Forstchen  
Some books get a 5\*\*\*\* rating due to their sheer literary greatness, others because they are genre leaders, but the book One Second After gets my 5\*\*\*\* rating due to the sheer realism of the book, and the extremely possible doomsday scenario it sets forth.

One Second After, the book that literally changed my family's life. Maybe after that glowing headline, you don't even need to read the review to know what I think. But I have to say, of all the post-apocalyptic books that I've read through my life, THIS one changed it.

15 Things I learned from One Second After & My Survival ...

I didn't want to read One Second After by William R. Forstchen. I knew it was a dismal and depressing book, so I procrastinated. I read rave reviews of the book, I knew the general storyline, but hesitated because the book reflects one of my deepest fears trying to survive longterm without a power grid.
