[Gardens of the Moon by Steven Erikson - Goodreads](#)
Gardens of the Moon is the first book in Steven Erikson's epic Malazan book of the Fallen series. The word epic may be overused when describing some books, but that is not the case here. Erikson has created one of the most vast world's I have ever read. The amount of characters, magic system, history, plots and subplots is on a level of its own. My advice when reading this is just go with the [Gardens Of The Moon \(1999\) | Steven Erikson](#)
