The globalization of crime - A transnational organized

...

In The globalization of crime: a transnational organized crime threat assessment, UNODC analyses a range of key transnational crime threats, including human trafficking, migrant smuggling, the illicit heroin and cocaine trades, cybercrime, maritime piracy and trafficking in environmental resources, firearms and counterfeit goods.

Globalization - Wikipedia

Globalization (or globalisation) is the process of interaction and integration among people, companies, and governments worldwide. As a complex and multifaceted phenomenon, globalization is considered by some as a form of capitalist expansion which entails the integration of local and national economies into a global, unregulated market economy

2018 Globalization Report - bertelsmann-stiftung.de

globalization index produced by Ernst & Young, the Economic Intelligence Unit (EIU) and the KOF Globalization Index. The KOF Globalization Index provided by the ETH Zurich is intended as a methodological model for the index used here. In order to quantify the growth effects of globalization,

Globalization of Culture Through the Media

The globalization of culture is often chiefly imputed to international mass media. After all, contemporary media technologies such as satellite television and the Internet have created a steady flow of transnational images that connect audiences worldwide. Without global media, according to the
