US foreign policy is wrong Political Economy

US foreign policy does not put money in my pocket nor
does it for you. It drains your economic power because
debt and taxes are paying for these wars. Therefore, it
takes the wind out of your sails when it comes to your
dream of living a secure happy life.

What is International Political Economy?

International Political Economy (IPE) is the rapidly
developing social science field of study that attempts to
understand international and global problems using an
