China's Corporate Reform Yields a Different Kind of Profit

Over the past few decades, China's state-owned companies have racked up debt faster than they can pay it off.

Highlights Chinese state-owned enterprises (SOEs) in industries that hold the bulk of the country's outstanding corporate debt, such as steel, construction and real estate, will bear the

5.1: Six Components of China's Political Economy - Module ...

This course offers a conceptual framework for understanding China that highlights the intersection of politics and economics. It shows that rather than develop into a full blown market economy, state and party officials at all levels of the political system maintain significant influence in economic development.

State-owned enterprise - Wikipedia

A state-owned enterprise (SOE) is a business enterprise where the government or state has significant control through full, majority, or significant minority ownership. Defining characteristics of SOEs are their distinct legal form and operation in commercial affairs and activities.

Chinese State-Owned Enterprises - U.S. Trade with China ...

China's once insular economy now imports more than one trillion dollars annually and is one of the top destinations for foreign investments. This book examines state-owned enterprises (SOEs) in China and the role they play in China's economy, politics and foreign policy.

Rethinking the Role of State-owned Enterprises in China's ...

The massive overseas expansion of Chinese state-owned enterprises (SOEs) is a central aspect of China's rise to great-power status. There is significant disagreement, however, over how to interpret SOEs' role. Are they instruments of Chinese statecraft, being directed purposefully from

Political Economy of India

The Political Economy of India has rapidly changed with the liberalization of the economy in the 1990s. It has now moved towards a market-based system and is the world's second fastest growing major economy after China. India recorded the highest GDP growth rate of 9% in 2007.

China's Unfinished State-Owned Enterprise Reforms

China's Unfinished State-Owned Enterprise Reforms Dong Zhang and Owen Freestone. 1. The changing role and

position of State-Owned Enterprises (SOEs) in China's economy provides an insight into China's market-oriented reforms since the initial opening up of the late 1970s. While past reforms to the SOE sector were a catalyst for China's
