This Fleeting World: A Short History of Humanity and over one million other books are available for Amazon Kindle.

[This Fleeting World: A Short History of Humanity by David ...](#)

This is a good, short book that helps students put world history and thinking globally into a context that they can understand. It's a pretty good way to introduce the students to a different way of approaching history so that they understand that it's not just about dates and events and memorization.
