WHEN A CROCODILE EATS THE SUN is a stirring memoir of the disintegration of a family set against the collapse of a country. But it is also a vivid portrait of the profound strength of the human spirit and the enduring power of love.

[Review: When A Crocodile Eats The Sun](#)

When A Crocodile Eats The Sun is the story of both a family and a place, an ambitious undertaking for any book. For the most part, author Peter Godwin successfully balances these two complementary stories, resulting in a book that balances between a personal memoir and a well-reported look at the destruction of a country.
