Jojo Moyes Me Before You is a most unconventional love story. Lou and her charge, the handsome, privileged Will Traynor, are at first like oil and water. Will is cold and aloof with everyone, but he seems generally displeased to have Lou around. Lou comes to realize that's because she isn't just a caregiver she's a babysitter. Will was an adventure junkie with career success.

The Story of Still Me by JoJo Moyes If you remember where we left Louisa in After You , and I didn't, we left her ready to start a new job for a year working for a rich family in New York City. She was leaving her new love, Sam, the paramedic, to be the friend and assistant of a rich woman, Agnes.

I absolutely loved Me Before You and After You so I was delighted to read the first chapter of Still Me. Reading about Louisa is like meeting an old friend. I was hooked from the first sentence and can't wait to read the rest of the book. It was lovely to find out that she is in New York starting a new job and still the same adorable character. Thank you Jojo Moyes for bringing Louisa back to us.
