Zane's latest novel "The Hot Box" is a page turner, just like all her other novels. I truly enjoyed this book. In this novel we meet Lydia and Milena, 2 best friends stuck in a rural North Carolina town, Kannapolis.

"The Hot Box" is an intriguing story from cover to cover. The storyline has just the right amount of drama and made for the perfect backdrop to the steamy love scenes and the emotional pull of the characters. Zane took the time to develop the characters so you felt the tension and chemistry, making it easy to identify with the characters. Don't think you can read a few chapters and have this.
